Instructional Resource Alert

July 2018

[Toxic Stress Resources](http://earlyoncenter.org/resource.php?ID=290) (<http://earlyoncenter.org/resource.php?ID=290>)

Harvard University's, The Center on the Developing Child, compiled toxic stress resources that include; Quick Facts About Toxic Stress; Toxic Stress Derails Healthy Development - Video; InBrief Article, "The Impact of Early Adversity on Children's Development" and the Report "Excessive Stress Disrupts the Architecture of the Developing Brain".

[Child Maltreatment and Neglect Resources](http://earlyoncenter.org/resource.php?ID=291)

(<http://earlyoncenter.org/resource.php?ID=291>)

Harvard University's, The Center on the Developing Child, compiled child maltreatment and neglect resources that include; Quick Facts About Neglect; The Science of Neglect - Video; InBrief Article, "The Science of Neglect" and the Report "The Science of Neglect: The Persistent Absence of Responsive Care Disrupts the Developing Brain".

[Social Emotional Development in the First Three Years](http://earlyoncenter.org/resource.php?ID=292)

(<http://earlyoncenter.org/resource.php?ID=292>)

This issue brief from Pennsylvania State University offers a range of strategies to improve care-giving and the social emotional development of young children. Strategies include 1) home visitation programs that offer support and information to parents just before the baby's birth; 2) skill training aimed to strengthen parental responsiveness to improve the child's sense of security and social-emotional skills; and 3) mental health consultation to support caregivers in early care. (From June 2018 Baby Talk Archive)

[Supporting Social and Emotional Development - What All Early Intervention](http://earlyoncenter.org/resource.php?ID=293)

[Providers Can Do](http://earlyoncenter.org/resource.php?ID=293) (<http://earlyoncenter.org/resource.php?ID=293>)

This handout, created by Leah Davidson, Infant & Toddler Connection of Arlington and Lisa Terry, Partnership for People with Disabilities at VCU, provides 11 strategies EI providers can use with families to support healthy social and emotional development. Examples of how to implement each strategy and an explanation of why each strategy is important are included.
