ZERO TO THREE, in partnership with the Bezos Family Foundation, recently conducted a comprehensive national survey of parents of children birth to 5 years. A nationally-representative sample of 2,200 parents responded. The results include findings on issues such as: parenting challenges; the dilemma of how to discipline young children; and what parents understand about early develop. Videos, infographics, parent voices, and highlights from individual survey results are included.

Parenting Matters: Supporting Parents of Children Ages 0-8

(<http://earlyoncenter.org/resource.php?ID=183>)

Early Educator Central's video clips embed footage of infants and toddlers demonstrating a range of skills across the developmental continuum as well as caregiver routines and interactions in support of those skills. In addition, the clips were filmed in diverse settings including homes, family child care programs, and child care and Early Head Start centers. These videos can help bring content to life by offering students a chance to observe a diverse array of professionals caring for and educating infants and toddlers.
