**RESEARCH & PRACTICE POSTER SESSION PROPOSAL
INCLUSIVE PRACTICES IN EARLY CHILDHOOD & EARLY INTERVENTION**

The Poster Session invites practitioners and researchers to share information on inclusive practices including collaboration among agencies, modifications of classroom environments, routines and curriculum, supporting peer relationships among all children, working with families, and teaching approaches in Higher Education and Professional Development settings and related areas. Researchers and teachers/caregivers are encouraged to share completed research and research in process, classroom-based action research and practices including reflections/representations of innovative practices. The purpose of the Poster Session is to encourage informal communication between presenters and conferees.

The Poster Session is Friday, April 13, 1:00-2:15 p.m.

DEADLINE for Poster session proposals Friday, March 23, 2018
(This different than proposal submission date of November 16, 2017 for conference sessions)

Please Note: Poster session presenters do not receive complimentary conference registration – they are required to register and pay the conference fee, either for 1-day, Friday, the day of the poster session, or for the full conference if attending a day or days in addition to Friday **unless** they have also submitted a workshop proposal that has been accepted. For every workshop proposal accepted, **one** complimentary conference registration is provided. Poster sessions will be cancelled for poster-session-only presenters who have not registered for and paid the conference fee (1-day or full conference) by March 16.

Please share with your colleagues and students (undergraduate and graduate). The poster session is a great venue for first-time presenters, and a forum for showcasing student projects and research.
